In BAD INFLUENCE, the sizzling new installment of the Man Up series, Tavish Lee explores the eternal attraction of the bad boy next door with a collection of erotic short stories that are 100% Man and 1000% scorching hot!

THE RETURN OF JESSE

When David was growing up, his parents held him to just two main rules: no staying out past midnight and no hanging around with Jesse, the black sheep of their neighborhood. Now Jesse is back, all grown up and still sexy as hell. David decides it's time to find out what all the fuss was really about all those years ago!

ROOM AND BORED

Back in the late 70s, society was pretty permissive but Ralph was 18 and still a virgin in every way, not to mention totally naive about the ways of the world. Then, the summer before he went away to the State U, his parents decided to rent out the room above their garage to a Frampton fan named Keith, and nothing would ever be the same again.

PLAY IT AGAIN

A naughty DVD stuck in the neighbor's player sends a sexy young house-sitter running for help in extracting it and the resulting electrical storm is one Barry never saw coming!

BUSTING LOOSE

Driving a lavender Jeep with a rainbow sticker on the back and owning a greyhound named Queenie isn't exactly the way to stay closeted. So there's only one place that Jason, the All-American boy next door, would show up looking for some advice when he turns 18 and decides to satisfy his curiosity once and for all.
