Take a walk on the steamy side of town with YES, MASTER, a hot new collection of four scorching m/m tales by Tavish Lee.

In FARM HANDS, Billy decides to hire some new farm workers from the pool of eager college students on break. It doesn't take him long to find just the guy. Jimmy Joe is a student at the nearby university who's grown up working the land with his family. Billy's willing to give him a chance and teach him everything he needs to know, but in the process Jimmy Joe will have to lose something: his cherry.

DIFFERENT STROKES heads to a popular gay seaside resort, where two longtime companions decide to spice up their relationship by slipping into the shadowed entrance to the local underground leather bar. There they encounter the legendary Styx, master of the underworld, who has plenty to teach them about starting over.

In GORDON'S GAME, a newcomer to San Francisco in the carefree days of 1977 decides to get his feet and plenty else wet in the big leagues when he ventures out into the local bar scene for the very first time.

Finally, a magnificent top named Warlock leaves his playmates SPELLBOUND when he reaches for the black riding crop on his wide belt and the pair of handcuffs swinging from his narrow waist.
