FOUR TALES OF NEIGHBORLY LUST!

### THE CHICKEN OR THE EGG

Stew is livid when he finds his car covered with eggs, but luckily he had a good idea who is responsible. Now he just has to find a way to teach Lyle, the troublemaking and very hot 18-year-old down the street a lesson about loving thy neighbor.

### GARDEN OF NEEDIN™

Right next to the modest, bachelor-style bungalow is a brightly painted stucco dwelling that hosts pool parties and upscale barbeques, but the most mouth-watering part of the whole setup is the new neighbors™ gardener.

### SPECIAL DELIVERY

The workers at the tiny local post office didn't realize they were putting the all-male skin mag in the wrong box. When the unintended recipient glances at the label on the manila envelope it had arrived in, however, he's in for a shock.

### BUSTING LOOSE

Richard isn't exactly a closet case around his neighborhood: he drives a lavender Jeep with a rainbow sticker on the back and owns a greyhound named Queenie. When the dog starts jumping the fence and running off just about every day, though, he suspects something is up literally!
