Str8 Guys â€” they might seem like straight arrows to the rest of the world, but behind closed doors, theyâ€™re anything but straight!

BORED STIFF

Paul can hardly believe what is happening when Roger, his colleague at the insurance company, walks out of the shower and offers him a proposition heâ€™s dying to accept. Though theyâ€™d never been more than casual friends, if that, sharing a cut-rate hotel in a distant city and attending a mind-numbing all-day sales seminar prompts them to take their business relationship to a new level.

PACKAGE DEAL

Ross doesnâ€™t dare to assume that the guy traveling with an attractive woman and a bunch of kids is anything but a devoted family man. When he finds out the truth, though, he can hardly believe his luck. Not only is Kyle actually gay and single, but heâ€™s actually into Rossâ€™ in a very big way.

SNOWBLOWING

Having invested in a truck with four-wheel drive and a huge plow attached to the front, Dean manages to pick up quite a few bucks by offering snow removal services to the neighbors. Plenty of them are so grateful to have their driveways cleared that they even offer him tipsâ€”but the most interesting perk comes from the guy at the end of the street, who is prepared to brew up a little storm and do a little plowing of his own!

OFF AND RUNNING

The hot and sweaty jogger passes by the condoâ€™s big picture window at the same time every morning. Is his morning routine simply what it appears to be, or is he looking for a different kind of physical workout?

SUPER SUNDAY

A newly divorced man settles in to watch the Big Game with a buddy from his married daysâ€”only to learn that Chaz, too, has left his old relationship behind and is looking for a new start with an old friend.
