A fresh set of tales involving lusty neighbors and the things that go on behind closed doors!

GRADUATION BLAST

It was a balmy June night, and high school graduation was over. A new life awaits!but moving on in the world means leaving Zane, next-door neighbor and secret crush, behind forever.

HOME ENTERTAINMENT

It all started innocuously enough; Alec was spending a boring evening at home, listening to some hard rock and flipping through a magazine full of well-hung hunks showing off all their best attributes, when his phone rang.

“Hey, dude,” a raspy male voice stroked my ear through the receiver. “You having a good time over there?”

CLOSE QUARTERS

Looking back on it, Nick knew from the beginning that inviting fresh-faced, 18-year-old Jesse to share his house was a mistake. Then again, it just might be the smartest thing he’d ever done!

LAP OF LUXURY

Stanton had been a limo driver for four years, and in that time he’d seen a lot of wild goings-on behind that smoky glass partition. One particular night in May, however, when he picked up a hot young couple, he found himself a lot more interested in what wasn’t taking place back there.
