We do not have responsibility with content of this book.

When Chuck's friends suggest they all go to an outdoor Krampus festival to kick off the Christmas season, he doesn't hesitate to join in. Along with people running around in bizarre costumes and celebrating, he figures there is bound to be plenty of alcohol and willing guys to seduce. The fact that he's generally way more naughty than nice doesn't worry Chuck even a little. After all, it's not like the legend of the Krampus, an evil counterpart of Santa who punishes evildoers with switches and hellfire, could really be true. Could it?
