Sent on a mission to backwards Earth, alien physician Kalen never expected to find his destined mate. Meridan's alluring scent, soft curves and the fire in her spirit call to him the way no female ever has. She is his destined mate. Heâ€™s certain of that.

Fierce and independent, nurse Meridan was never interested in settling down, with a human or an alien, especially not the arrogant, rude and devastatingly sexy medic Kalen.

How far will Kalen go to claim the woman he loves when the rules between his planet and hers prevent him from doing just that?

After a terrifying attack leaves Meridan near death, Kalen breaks the rules to save her and bind them together as mates.

How will Meridan and Kalen find common ground before the universe tears them apart forever?

Standalone, full length novel. No cheating. Happy Ever After.
