How do you mend a broken heartstone?

Amber crashed onto an alien planet and survived the dangers of an unknown world. Three literally hot aliens with lava coursing through their veins decide sheâ€™s their mate. Sheâ€™s endured everything Sonhadra has thrown at her but she might not survive their fiery embrace.

Pel and Mishal know that the commanding human female is their mate. They vow to claim her once they repair Flinâ€™s fractured heartstone, the material from which can only be found in the frozen north. Barely able to keep their hands off each other, how can Amber and her Fire Valos resist temptation until they can find a way to safely be together?

Inferno is a return to the multi-author, multi-book Valos of Sonhadra series and full of steamy Reverse Harem action.
